

## Fix the Work Schedule form and list

No configuration. This is just to show the requested fixed is already in the system.

After saving the generated work schedule, the UI should be back in the Work Schedule List and not stuck in the Employee Work Schedule form.

### Add work schedule in the HR Portal

- Login in HR Portal
- Go to Schedule > Work Schedule
- Click plus icon to add work schedule in the employees
- Select shift code and save.
- After saving, the ui will be back automatically in the Work Schedule List.
